Wheelchair Cushions and Accessories

July 01, 2011

Alberta Aids to Daily Living (AADL) has introduced an updated format for the July 1, 2011 Wheelchair Accessories Approved Products list (APL)

The highlights of the changes are:

- The categories of wheelchair cushions remain the same
 - The cushions within these categories are in alpha order
 - The catalogue numbers for each cushion on the page are listed in chronological order
- For example
- **V103** – the custom size of the cushion will be listed before the standard sizes available
 - Some cushions require two pages to document the information
