1.0 PROCESS TO OBTAIN CUSTOM MADE OCULAR PROSTHESIS “Y”

CUSTOM-MADE OCULAR PROSTHESIS

2.0 PRESCRIPTION

Client receives prescription from a medical doctor. Physician refers client to ophthalmologist or optician of client's choice.

3.0 AUTHORIZER

An OT, PT, RN authorizer is not required. Clients should be referred to the list of Specialty Suppliers. All authorization forms will be completed by the Specialty Supplier and submitted to AADL through e-business. The AADL Program Manager is the Authorizer.

4.0 INSURANCE COVERAGE

The AADL Program does not replace lost, stolen, or broken/damaged benefits. Clients are advised to purchase home owners/tenants insurance to cover the cost of replacements because the AADL Program will not be able to assist with them.
