

CAT. No.	QUANTITY MAXIMUM	OSTOMY SUPPLIES GENERIC DESCRIPTION, USES AND RESTRICTIONS	AADL PRICE
		<p><u>General Ostomy Information</u></p> <p>AADL prices for all pouches are based on products with filters. Open end pouches are based on self closure products.</p> <p>Prescription for a peristoma hernia belt is NOT required if authorized by a registered ET RN and that ET RN clearly indicates this on the 1250 or change form.</p> <p>If combinations of pouches are authorized then quantities must be proportional or the authorization will not be approved.</p> <p>Prior approval process is required for strip paste and/or pediatric supplies if the authorizer is not a Registered ET RN or does not clearly indicate this on the 1250 or change form.</p> <p>If combinations of past and strip paste are required quantities must be proportional.</p>	
M001	210/2 mo	One Piece Closed-End Colostomy Pouch with Seal	\$4.57
M003	210/2 mo	Two-Piece Closed-End Colostomy Pouch	\$2.79
M005	30/2 mo	One-Piece Drainable Colostomy/Ileostomy Pouch with Adhesive or Karaya with filter and self closure	\$6.95
M006	30/2 mo	<p>Two-Piece Drainable Colostomy/Ileostomy Pouch with self closure</p> <p>TOTAL QUANTITY FOR M005, M006 MAY NOT EXCEED 30/2 MONTHS.</p>	\$6.14
M008	30/2 mo	Two-Piece Urostomy Pouch – Regular Wear	\$6.80
M009	30/2 mo	One-Piece Urostomy Pouch – Regular Wear	\$9.50
M010	20/2 mo	Vinyl Reusable Ileostomy/Urostomy Pouch for use with Faceplate	\$9.65
M011	20/2 mo	One-Piece Drainable Colostomy/Ileostomy Pouch – Extended Wear with Convexity	\$11.54
M012	20/2 mo	One-Piece Urostomy Pouch – with Convexity	\$13.64

CAT. No.	QUANTITY MAXIMUM	OSTOMY SUPPLIES GENERIC DESCRIPTION, USES AND RESTRICTIONS	AADL PRICE
M013	20/2 mo	One-Piece Urostomy Pouch – Extended-Wear	\$13.00
M014	20/2 mo	One Piece Urostomy Pouch – Extended Wear with Convexity	\$13.60
M024	30/2 mo	High Output Ileostomy Pouch <u>Can only be authorized by an ET RN</u> This pouch should only be authorized when clients output cannot be managed with a regular pouch.	\$14.70
M022	30/2 mo	High Output Urostomy Night Drainage Pouch <u>Can only be authorized by an ET RN</u> This pouch should only authorized when clients night time output cannot be managed with a regular pouch. Quantities must be proportional if other colostomy, ileostomy pouches (M001, M003, M005, M006, M170, M171) are authorized.	\$9.82
M018	30/2 mo	Convex Inserts Inserts improve the seal around a problem stoma, preventing leaking and increasing the wafer wearing time.	\$4.20
M020	1/2 mo	Reusable Rubber Colostomy/Ileostomy/Urostomy Pouches Including Reusable Faceplate These pouches are rubber or synthetic, are worn with a faceplate, and are cleaned and reused.	\$96.53
M025	2/2 mo	Plastic Faceplate Faceplates are authorized for use with M020.	\$24.58
M026	1/2 mo	Rubber Faceplate Faceplates are authorized for use with M010 - rubber pouch.	\$60.75
M030	1/2 mo	Ostomy Irrigation Kits Included reusable bag, irrigater tip (cone or catheter), and tubing. Irrigation sleeves may be ordered (see M031). Prior approval required for clients requiring for mace, mitronanoffs or other types of diversion stomas if not authorized by ET RN, NP that specialize in this area.	\$57.99
M031	30/2 mo	Ostomy Irrigation Sleeves Irrigation sleeves are used with irrigation kits (M030), and are reusable.	\$10.00
M049	1/2 mo	Appliance Odor Control (8 oz – 32 oz) These deodorants are specially designed to be used inside an ostomy pouch. <u>DOES NOT INCLUDE ROOM DEODORANTS.</u>	\$36.72

CAT. No.	QUANTITY MAXIMUM	OSTOMY SUPPLIES GENERIC DESCRIPTION, USES AND RESTRICTIONS	AADL PRICE
M069	20/2 mo	<p>Skin Barrier Rings – Eakin Seal</p> <p>Includes Karaya washers, rings and wafers without a flange. Karaya washers/rings have precut holes in a variety of sizes and cushion/protect the area around the stoma.</p>	\$8.70
M073	30/2 mo	<p>Skin Barrier Wafer Regular Wear with Flange</p>	\$8.60
M078	30/2 mo	<p>Skin Barrier Wafer, Regular Wear with Flange – Convexity</p>	\$11.91
M079	20/2 mo	<p>Skin Barrier Wafer, Extended Wear with or without Flange</p>	\$10.50
M080	3/2 mo	<p>Skin Barrier Paste – based on 57 gram tube.</p>	\$18.99
M181	3 boxes / 2 mo	<p>Ostomy Barrier Strips – box of 10 strips</p> <p>If a client clinically requires a combination of paste and strips, the client may have proportional quantities and is NOT eligible for maximum quantities of each.</p>	\$29.50
M115	2/12 mo	<p>Periostomal Hernia Belt</p> <p>Available for those with a diagnosed inoperable periostomal hernia.</p> <p>Prescription is needed if Authorizer is not an ET RN</p>	\$100.00
M121	5/2 mo	<p>Ostomy Tape – 2"</p> <p>Clients may receive 1" tape under this product code.</p>	\$7.21
M126	20/2 mo	<p>Adhesive Disc for use with Reusable Plastic or Rubber Faceplate (M025 or M026)</p> <p>Applied under a reusable plastic or rubber faceplate for added security.</p>	\$1.78
M136	2/2 mo	<p>Catheters for Continent Diversion for Stoma Management</p> <p>These large bore catheters drain stool from an Indiana or Koch pouch.</p> <p>Use for irrigation or drainage of continent diversion.</p> <p>Prior approval required for clients requiring for mace, mitronanoffs or other types of diversion stomas if not authorized by ET RN, NP that specialize in this area.</p>	\$7.96
M160	300/2 mo	<p>Continent Diversion Dressings – adhesive pad</p> <p>These are adhesive dressings with a built-in absorbent pad and are approximately 5 x 7.5 cm.</p> <p>These are provided only to clients with a continent diversion and are in lieu of pouches.</p>	\$1.05

CAT. No.	QUANTITY MAXIMUM	<p style="text-align: center;">OSTOMY SUPPLIES GENERIC DESCRIPTION, USES AND RESTRICTIONS</p>	AADL PRICE
M164	300/2 mo	<p>Continent Diversion Dressing – 4” x 4” – clean gauze</p> <p>These dressings are only provided to clients with a continent diversion and are in lieu of pouches.</p>	\$0.06
M170	20/2 mo	<p>One-Piece Drainable Colostomy/Ileostomy Pouch – Extended Wear</p> <p>TOTAL QUANTITY OF M011, M170 & M171 MAY NOT EXCEED 20/2 MOS.</p> <p>Quantities must be proportional if other colostomy/ileostomy pouches (M001, M003, M006, M171) are authorized.</p>	\$8.40
M171	20/2 mo	<p>One-Piece Drainable Colostomy/Ileostomy Flange – Extended Wear with Convexity</p> <p>TOTAL QUANTITY OF M011, M170 AND M171 MAY NOT EXCEED 20/2 MONTHS.</p> <p>Quantities must be proportional if other colostomy/ileostomy pouches (M001, M003, M005, M006, M170, M171) are authorized.</p>	\$15.06
